

You are invited to join us for
**Biomedical Engineering Builder's Day
and Poster Session**

**Monday, April 21, 2008
Keating 103**

Schedule of events:

12:00 pm	Lunch
1:00 pm	Poster Session
2:00 pm	Distinguished Alumna Seminar Dr. Joelle Sarlls , class of 2006
3:00 pm	Poster Awards

Joelle Sarlls performed her Ph.D. thesis under Dr. Theodore Trouard in the area of High-resolution diffusion-weighted magnetic resonance imaging. Upon graduation, she obtained the position of Post-Doctoral Fellow, through the Intramural Research Training Award (IRTA), in the Child Health and Human Development section of the Biophysics and Biomimetics at the National Institutes of Health. She will be speaking about her experiences at NIH, and her preparation in obtaining this position.

PLEASE RSVP TO DEBBI HOWARD BY APRIL 15TH
dhoward@u.arizona.edu or 520-626-9134
